

TWIRLING CONVENTION 2011

bormio

16th -18th September

This year the CETB convention will be held in Bormio which is located in Lombardy, 200 km from Milan. Bormio offers a wide choice of hotel availability from 4 to 2 stars.

Bormio is known worldwide for the variety of services and opportunities that make it unique. Skiing all year round, even in summer at the Stelvio Pass, the waters of three spas known since Roman times, the protected nature of the Stelvio National Park, summer excursions on foot or by mountain bike, in winter snowshoe or ski touring, infrastructure and high quality services, to discover an ancient history, events of global importance and of course the unmistakable flavors enogastronomy Valtellina.
